This LETTER is an EXCELLENT INITIATIVE that enables heads to share your insight and wisdom with their Boards. I encourage you to keep these coming, and releasing articles that parallel the life cycle of schools (back to school, reenrollment, budget cycles, and etcetera) would be superb.

Your article about head transitions was absolutely brilliant. Having just left a school, I can attest to the wisdom of every word of advice as well as the potential pitfalls that await the board of a school that is welcoming a new head. I almost felt that, unbeknownst to me, you had served as a consultant to the Board of my former school, as Trustees helped launch me onto my next school while welcoming my successor.
